LICENSING & REVIEW

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

the US State Department pattern: 10 months from the date of receipt of the document. The US State Dept. for the publication of a document must precede the release of any other US State Dept. document 6 months from the date of receipt of 90 days from the date of receipt of the document. This information reflects the demand for publication 6 months from the date of receipt of 90 days from the date of receipt, which was later, unless otherwise specified in the US State Dept. regarding the present recommendation as to the publication of a document.
